

Stratcom introduces

PROMPT.IO

A new messaging platform to help organizations create, automate and personalize conversations that deepen relationships, collect data and lead to actions and donations.

Features:

- SMS texts and Facebook Messenger messages
- Text broadcasts AND Peer-to-Peer texting
- *'Instant Apps'*: microsites easily built within Prompt.io
- Automated replies based on KEYWORDS
- CMS integrations with NationBuilder, Salesforce — and more to come
- Google Maps integration for targeting and segmentation
- Robust, real-time analytics
